CENTRAL INTELLIGENCE AGENCY
NATIONAL ESTIMATES BOARD

25 July 1951

MEMORANDUM FOR: Mr. Allan Evans, OIR
General John Weckerling, G-2
Captain Ray Malpass, ONI
Colonel Edward H. Porter, AFOIN
Captain R. G. McCool, JIG

SUBJECT : SE-9: Probable Developments of a Failure in
the Cease Fire Negotiations in Korea

1. Pursuant to ISC discussions, the Director of Central Intelligence has directed that an estimate be prepared on a "crash" basis of the probable developments of a failure in the present cease fire negotiations in Korea. The assumption is that cease fire negotiations are suspended without the conclusion of an armistice.

2. In view of the urgency of the request and the availability of previous estimates on related subjects, this office is proceeding with the preparation of a draft. It is tentatively planned to present this draft at a meeting of the IAC representatives to be scheduled on or about Friday, 27 July.

3. In conjunction with this estimate, it would be very helpful if the representatives of G-2, ONI and AFOIN, could prepare and bring to the meeting, for possible use as an enclosure, an examination of the "realistic expeditionary and defensive capabilities of the Chinese Nationalists."
